

Politician, Lawyer & Publicist, Member of the German Parliament

Dr. Gregor Gysi

Dr. Gregor Gysi, born on 16 January 1948 in Berlin, is a German politician, lawyer and publicist. After training as a skilled labourer in cattle breeding, he studied law at Humboldt University in Berlin and has worked as a lawyer since 1971. He is one of the formative personalities of the Left Party and its predecessor organisations. Gregor Gysi Lecture topics Is a classic national growth policy still possible in a global economy? 'Hunger for the tertiary' – no salvation for post-industrial societies? The middle class as an obsolete model in the age of globalisation? From late 1989 to 1992,...
