

Expert for Megatrends, Innovation, Mobility, Automation, Future and Industry 4.0

Frank Thomsen

Frank Thomsen: The mobility of tomorrow: Seamless. Autonomous. Forward thinking.

Frank Thomsen was at the vanguard of the e-generation, experienced the dot-com era up close as a young entrepreneur, wrote and produced musicals, conceptualized TV channels and mobile advertising platforms and is a consultant, lecturer and keynote speaker. As an innovation consultant, Frank Thomsen is a sought-after expert on the...
