

Innovation Expert & Future Architect

Christoph Burkhardt

Christoph Burkhardt – Mindset Future. Christoph Burkhardt brings innovation strategies to companies worldwide that have realised that innovation is part of daily business in the 21st century. The high-flyer when it comes to the future, innovation and progress lives and works in Silicon Valley, in his adopted home of San Francisco, and is up close and personal every day when breakthrough ideas emerge and conquer the world. ‘Germany’s best innovation psychologist’ writes Focus about Christoph Burkhardt. ‘Probably the only one,’ says the innovation expert himself. For more than six years, Christoph Burkhardt has been helping companies all over the world…
