Felix Baumgartner

Felix Baumgartner – “I have always had this dream of flying” Can our time still produce heroes – real winners whose deeds defy the transitory nature of our social networking age; people with the courage to push the boundaries and whose incomparable achievements guarantee them a lasting place in the annals of history? “The emotional value we have supplied is fully comparable to that of the moon landing” says Felix Baumgartner of his jump of 36 km from the stratosphere to earth. On 14 October 2012 he supplied the answer to the above question in the most dramatic way possible....
