Expert for Personal development & Change management

Dieter Lange

Dieter Lange: Full lions don’t hunt. Winners are recognized at the start, losers too. Dieter Lange is managing director of the Institute for Applied Creativity and a trainer of leadership seminars for Bayer, Bertelsmann, BMW, Gruner & Jahr, Siemens, Unilever and many others in Europe. He is also a coach of board members and directors in Europe’s top companies. He is one of the coaches who provide the most impetus for change in companies. “If you want to lead people, you should first be able to lead yourself.” Lectures by Dieter Lange that provide answers to the most important questions…
