

Expert on the Future of Leadership Influence, Communication & Change

Connie Dieken

Connie Dieken is a world-renowned expert on the future of leadership influence and change, Female Motivational Speaker, Emmy-Award Winning Broadcaster, Best-selling Author and Influence Lab Founder. She shares how to elevate the human side of leadership influence in the face of artificial intelligence. Her discoveries and methodologies help leaders accelerate positive change in a disrupted, divided world. Her 20+ years of research at The Influence Lab helps leaders maximize their performance and profitability to drive transformational result. She developed three innovative tools for influencing leaders that are used by leadership teams around the world. As a Woman Motivational Speaker, Connie...
