

Trainer, Speaker & Mental coach - Leadership & Motivation

## Steffen Kirchner

Steffen Kirchner is a speaker & motivational trainer for top performance. Inspiring motivational lectures that get under your skin. Steffen Kirchner lectures on the topics of high performance, employee leadership and motivation. In his lectures he inspires managers and employees, establishes relationships between people and helps them to gain new energy. He uses techniques and his experience from professional sports to inspire participants in a professional manner. In doing so, he dispenses with motivational lies, chakka mentality and wellness esotericism. With the help of vivid examples, he connects the world of high-performance sports with the challenges of everyday life. Steffen...
