

Expert Service Excellence & Customer success

Sabine Hübner

If you want to improve service, you have to move people – Sabine Hübner can do just that. She is passionate about service. You can see, hear and feel it. Her trademarks: sharp wit, clear words, XXL glasses and a big heart. Sabine Hübner is the service performance consultant for the top players in Germany, Austria and Switzerland. Her industry diversity is unique. For her, intelligent services, smart processes and empathetic human moments always go hand in hand. With her forwardservice team, the entrepreneur stands for empowerment and establishes service attitudes at all levels with her own tools. As an...
