

Global Technology Futurist, Strategic Advisor & Bestselling Author

Daniel Burrus

Daniel Burrus is considered one of the world's leading futurists on global trends, AI, and disruptive innovation. Over the past 30 years, he has established a worldwide reputation for his exceptional record of accurately predicting the future of technology-driven change and its direct impact on the business world. As an internationally sought-after keynote speaker, bestselling author, and strategic advisor, Daniel Burrus helps executives anticipate technological disruption, identify emerging opportunities, and develop strategies for long-term competitive advantage. His central belief is that much of what business leaders consider uncertain is actually predictable. Through his proven Hard Trend Methodology, Burrus teaches organizations...
