

Beyond Leadership

Patrick D. Cowden

Patrick D. Cowden – Leading with a Spark of Enthusiasm. Patrick Cowden is Co-Founder at Warmspace, a bestselling author, two-time TEDx speaker, and former Fortune 500 executive who has transformed how over 100 organizations build trust and performance. Across four decades, Patrick has shaped cultures that became the competitive advantage at some of the world's most innovative companies. He knows what it takes to scale human connection under pressure, and what breaks when leaders miss it. Today, he tackles the most critical question facing leaders: How to unleash the human factor in the age of AI? His keynotes are live…
