

Martin O. - ...dancing voices!

Martin O.

Martin O. is a musician, composer and singer, in one word: a musical artist. He fascinates his audience with stories made of music which he creates live on stage. He sings, narrates and imitates throughout all genres and languages. In his first solo program '...dancing voice' his only assistant is a small device that records his voice and plays it back in endless loops. It feels as if he had swallowed an entire choir complete with orchestra. His performances are virtuosic, unique and precise like Swiss clockwork. Every note and every movement is perfect. Nonetheless, Martin O. seizes every opportunity...
