

One of the most active professional Alpinist

Stephan Siegrist

Stephan Siegrist – The Portrait of one of the most active professional Alpinists. Stephan Siegrist was born in 1972 in Meikirch, Switzerland; a rural area close to the city and far from the powerful Swiss mountains. He now lives in the Bernese Oberland (Switzerland) at the foot of the Alps close to his family and friends. Stephan embarked on his first alpine adventure at the age of 11 on a ski tour. It was later on Stephan would realise that it was here he discovered what would become his passion in life. Five years later, he visited his first climbing...
