Federal Minister for the Economy and Technology (2009-2011)

Rainer Brüderle

Rainer Brüderle joined Germany’s Free Democratic Party (FDP) in 1973. He has been a member of the party’s federal executive since 1983 and acted as its Deputy Federal Chairman between 1995 and 2011. After obtaining his university-entrance qualification in Landau in 1966, Brüderle, who was born in 1945, studied Journalism, Law, Economics and Political Sciences at the Johannes Gutenberg University in Mainz, where he graduated in Economics in 1971. After various teaching positions in the field of economic policy he held numerous senior posts with the city of Mainz, most recently that of Head of the Economic Affairs department. He…
