

Expert in Leadership & Motivation

Peter Baumgartner

Peter Baumgartner moves people and makes organisations fit for the future. He is a speaker and lecture coach. The bestselling author, industrial engineer and qualified educationalist from Altmünster in Austria is an internationally recognised speaker at congresses, corporate events, universities and business schools. Baumgartner's emotional presentation style inspires audiences and the books of the business literature prize winner have won several awards. With "Leadership leben", "Manager müssen Mut machen", "Geniale Grenzgänge" and "Rede", he has book titles that inspire people today. "Lead to succeed" is his first book in English. Having studied in Austria, Germany and England, he is a...
