

Expert in Leadership & Motivation

Peter Baumgartner

Peter Baumgartner inspires people and helps organizations prepare for the future. He is a speaker and public speaking coach. The bestselling author, industrial engineer, and certified educator from Altmünster, Austria, is an internationally recognized speaker at conferences, corporate events, universities, and business schools. Baumgartner's emotional speaking style captivates audiences, and the books by this winner of the Business Literature Award have received multiple accolades. With titles such as "Leadership leben," "Manager müssen Mut machen," "Geniale Grenzgänge," "Rede," and "Zuversicht Zukunft," he has authored books that inspire people today. "Lead to Succeed" is his first book in English. After completing his...
