

TV-Moderator, Mister Germany 2013, Entrepreneur

## Jörn Kamphuis

Jörn Kamphuis is an expert in business start-ups and entrepreneurship. He acts as speaker, moderator and model, a model athlete of the Generation "Y". Jörn Kamphuis loves to challenge the status quo. He is fascinated by start-ups, especially by the process of transforming a single idea into a business concept, and how this business then generates a tangible value. Jörn has an inspiring and exciting way, even when he talks about the failure of his own company. He says: "Being successful means getting up once more after you've fallen down." In his lectures Jörn Kamphuis shows how important it is...
