

Founder Eurythmics, Songwriter, Musician, Photographer , Entrepreneur

Dave Stewart

Grammy and Golden Globe award winning Dave Stewart, the iconic co-founder of the Eurythmics, is recognised as both an accomplished musician and one of the most respected multi-media entrepreneurs in the music industry, and is well-renowned throughout the industry as an author, filmmaker, photographer, producer, director and philanthropist. Dave Stewart created Weapons of Mass Entertainment (WME), which was set up in order to link creative ideas to music, television, film, new media, theatre and book projects, and which was described by The LA Times as a “media company for the new world”.
