

World Class Speaker, Visionary & Leadership Expert, Extreme Climber

Lene Gammelgaard

Lene Gammelgaard – Learn from one of the world's most interesting speakers how to achieve new success now in an increasingly demanding world! This woman knows what she is talking about: How do we invent visions? – Reflections, ideas, hopes for the future – that are imposing enough – to shake us and set us in motion. Visions that prepare our focus – even when realities challenge us. Lene Gammelgaard was one of the first women in the world to climb the highest mountain on our planet, Mount Everest. In the process, a catastrophe occurred during the descent that caused...
