

Model, Singer & Moderator

## Paloma Würth

Scintillating charm and professionalism – Paloma takes hearts by storm. Swiss songstress Paloma merges multifaceted talents in her engaging personality. As a much sought-after model, accomplished presenter and highly-popular brand ambassador, she has been travelling successfully far beyond the borders of her Swiss home country for over 10 years. One of her great passions however is music, which has accompanied her since she was very young. Paloma Würth has directed her talents from the Swiss town of Staad for 10 years. Her successful career began in the year 2000 when she was crowned Miss Switzerland. In the first years she...
