

Leadership, Cooperations & The Future

Carsten Sudhoff

With over 15 years of professional experience Carsten Sudhoff offers a unique perspective on solving the leadership issues of today. He has worked in Banking, Automotive Finance, Automotive Manufacturing and in the Non-for-profit sector and he has lived or worked on three continents and in eight different countries. Eye-to-Eye with the world's leaders During his five years as Chief Human Resources Officer at the World Economic Forum he was privileged to attend the Annual Meeting in Davos. Over the years Carsten Sudhoff has witnessed the growing concern amongst the world's leaders about the state of our world and a growing...
