

China-Expert & Author

Frank Sieren

Frank Sieren is a correspondent, bestselling author and documentary filmmaker who has lived in China for a decade and a half. He is a columnist for HANDELSBLATT and writes regularly in DIE ZEIT. The LONDON TIMES calls him an "authoritative China expert in Germany". Frank Sieren reports first-hand on the rise of China. Frank Sieren Lecture Topics Out of the brakes - The end of Western dominance An era is coming to an end. That of Western dominance. China and the Global South are challenging the USA and Europe. Now the up-and-coming countries have the power to do so. The...
