

Consummate journalist and presenter

Joey Grit Winkler

Embracing topics ranging from science, space travel, IT and smart home technology to Hollywood, J.G. Winkler lives and breathes journalism. Her expertise and professionalism also make her a sought-after presenter. Charming, competent and with the knack of putting people at ease, she is a natural when it comes to presenting at galas, events, panel discussions, conventions and trade fairs – in both English and German. Twelve years' experience in knowledge-based television and a four-year stint at Sky Hollywood in German and English have shaped her own distinctive style. Her texts, which she prefers to write herself, are professional, individual and...
