

Global Expert on Cybercrime, Risk Management, Cybersecurity & Digital Revolution

Peter Hacker

Peter Hacker is not just another expert and author but also an outside-the-box-minded, successful entrepreneur. For many years, the map of global change, world affairs and cyber security have been his work and research dedication and passion.

Peter Hacker is a passionate, internationally sought-after Swiss expert in his field who thinks outside the box. The speaker, entrepreneur and author research the topics of digital change, cyber crime and underwriting. Peter Hacker gives keynotes and lectures from Frankfurt to Sydney to New York, describing challenges, opportunities and solutions...
