Former Federal Minister, Former Vice Chancellor, Expert on Geopolitics and Economics

Sigmar Gabriel

Sigmar Gabriel is a brilliant and convincing speaker who outlines his point of view frankly and straight and therewith captivates his audience.

Sigmar Gabriel is one of Germany’s most prominent political figures. As a former Federal Minister for Foreign Affairs, Vice Chancellor, Federal Minister for Economic Affairs, Federal Minister for the Environment, SPD Chairman, and Minister-President of Lower Saxony, he has decades of experience at the key intersections of politics, business, diplomacy,…
