

Business Thinker, Entrepreneur and Author

Felix Plötz

Lateral thinker and instigator – in the best sense

Felix Plötz is a lateral thinker and instigator – in the best sense. He firmly believes that creativity, courage and the “just do it” spirit of start-ups also have a place in established companies. He is regarded as an expert on the topics of “motivation”, “digitisation”, “leadership”, and “startup spirit”....

Topics

- Innovations
- Motivation / Strategy
- Start Up
