

Expert in AI for SMEs, Digitalisation, Innovation & Entrepreneurship

Dr. Hubertus Porschen

Dr. Hubertus Porschen is one of Germany's leading keynote speakers on artificial intelligence in the SME sector. Since 2013, he has delivered over 600 talks on AI, digitalisation, innovation and entrepreneurship. His profile: PhD in Economics from the University of Marburg, founder of eleven companies (including three that explicitly failed), Federal Chairman of the Young Entrepreneurs from 2015 to 2018 (three terms), and a member of the Supervisory Board of Bensberger Bank since 2019. In 2018, his book "Digital Suicide" was published by Status Verlag. Today, Porschen runs two companies: Dr. Hubertus Porschen GmbH and AI Transformation Partners GmbH. His...
