

Global Futurist, Inspirational Keynote Speaker, Media Commentator, Thought Leader

## Chris Riddell

**Digital can help change your perspective, and make things incredible.**

Chris Riddell is an Award winning and industry recognised Human Futurist, forensic Optimist and energising Catalyst. Driven by the real world, by humanity, and by 'the now', Chris makes sense of the uncomfortable and challenging world of 'the future' and makes the case for excitement, motivation and optimism. And there's never...
