

Serial Entrepreneur & Global Marketing Guru

## Lars Tvede

Lars Tvede is a professional investor, author and a serial entrepreneur who over the last 30 years has founded a string of companies within telecommunication, software development, property and finance. Lars Tvede spent 11 years in portfolio management and investment banking before moving to the high-tech and telecommunications industries, where he co-founded several technology companies that have won numerous international awards, including Wall Street Journal Europe Innovation Award, Red Herring Global 100 Award and Swiss IMD Startup Award. In 2016, he co-founded the venture capital fund Nordic Eye, which produced over 100% cash return in its first full year and...
