

TV-Presenter, Physicist & Expert Sustainability & Artificial Intelligence

Kristina zur Mühlen

With more than 25-years of experience, renowned TV journalist and presenter, Kristina zur Mühlen has moderated and anchored over 5’000 news and science shows on public broadcasting programs, and live events. In 1993, after embarking on a diploma in Physics in Jena, Kristina zur Mühlen began her career as a TV journalist and then in 2002 as a presenter. Her first moderating post was with public broadcaster NDR for a regional news show entitled ‘Hamburg Journal’, followed by the regional news show ‘Lokalzeit aus Aachen’ in 2006, and then, her first science show entitled ‘Q21’, both with WDR. However, her…
