

Expert for leadership, agile work and New Work

Dr. Daniel Hunold

Your New Work Speaker Dr. Daniel Hunold lives and breathes New Work. As a keynote speaker, he shows businesses, managers, and employees how to successfully implement New Work into everyday working life. His prizewinning and motivating manner will thrill you. In his keynotes, Dr. Hunold mainly talks about the difficult topics such as trust, communications, honesty, control, and intrinsic motivation – so that you and your business can profit from his experience and become more successful thanks to New Work. Your Start-Up Founder Besides being the New Work Speaker, Dr. Hunold as a graduated business economist has begun raising his...
