

Expert for leadership, entrepreneurship & motivated employees

Raphael Stenzhorn

As a state-certified curative education nurse, Raphael Stenzhorn got to know the basics of behavioural and motivational psychology, which he deepened a few years later in a distance learning course. Since 2004 he has founded six companies and developed them from start-ups to successful companies. He has already led hundreds of people and got to know leadership in all its facets – with all its ups and downs.

Raphael Stenzhorn – Find your way and no excuses! You are responsible for yourself and your success – take your brain in your hand and start! Raphael Stenzhorn has been on stage as a lecturer and keynote speaker since 2016 and has already received several awards for his work: Top...
