

Entrepreneur, Sports Tech Innovator & Expert in Gamification

Markos Aristides Kern

Markos Aristides Kern – “Combining all forms of creativity to transform the ordinary into the extraordinary to create the experiences of tomorrow”

For almost two decades, former Visual Drugstore Founder and Creative Director Markos Aristides Kern has been in the creative field, using a holistic approach and deep expertise to realise extraordinary ideas and unique solutions. This is what makes him one of the best experts for innovation and creativity, and these…
