

Thought leader on the topic of AI & business

## Tim Cortinavis

**Which sales processes can I automate? What is the use of digitization in customer contact? Can automatic sales work? How can digitization take the customer experience of my customers to a new level? And above all, which mindset does my sales team need to be successful in a digital world?**

Tim Cortinavis is a globally recognised author, keynote speaker and presenter on AI and sales. The current technological developments are gigantic. They are creating unprecedented opportunities for companies. However, the flood of innovations is also unsettling and makes it difficult to maintain an overview. Tim Cortinavis sorts this out for...
