

Thought leader on the topic of Agentic AI & business

Tim Cortinovis

Which sales processes can I automate? What is the use of digitization in customer contact? Can automatic sales work? How can digitization take the customer experience of my customers to a new level? And above all, which mindset does my sales team need to be successful in a digital world?

Tim Cortinovis is an internationally sought-after keynote speaker, author and thought leader in the fields of agentic AI, AI in sales and revenue transformation. Cited by Forbes as a “tech visionary” and recognised by Thinkers360 as a Top 10 Global Thought Leader in both agentic AI and sales, he supports...
