

Expert for Style, Image-Consulting and Business-Etiquette

Elisabeth Motsch

Elisabeth Motsch is an inspiration for her audience. Even at her young age, she was interested in the effect of clothing and appearance.

She uses her experience on the top floors of economy and society in Munich, London and Monte Carlo today to motivate employees and executives in companies to emphasize their personality and competence convincingly through clothing and appearance and to thereby find their own style. For over 20 years she has...
