

Geophysicist & Oceanographer, Documentary Filmmaker & Small Town Founder, Adventurer & Author

Anselm Pahnke

Anselm Nathanael Pahnke (30 years old) was born on the 14th of April 1989 as the second of five children.

Anselm Pahnke: "I embraced the unknown and it became my friend." Anselm Pahnke is a geophysicist and oceanographer, author, award-winning documentary filmmaker, small town founder, tiny house builder, extreme adventurer and keynote speaker all rolled into one. From a young age, Anselm Pahnke, a passionate communicator, was fascinated by the...
