

THE PROFILER, Expert on Cybersecurity, Darknet & AI

Mark T. Hofmann

Mark T. Hofmann is a criminal and intelligence analyst and organizational psychologist (M.A.). He is known as a profiling expert through international media and TV formats such as ARD, CNN, Forbes, CBS and 60 Minutes Australia. He specializes in behavioural and cyber profiling. Mark T. Hofmann goes into the darknet, conducts interviews with hackers and inspires people worldwide on topics such as cybersecurity, profiling and the “dark side” of AI. How can we recognize the motives of our counterparts? What drives hackers? How can we become a “human firewall”? What are the risks of artificial intelligence? Mark T. Hofmann Lecture...
