## Florian Astor

Florian Astor is a keynote speaker on change, courage, and attitude. Florian Astor is not a typical motivational speaker—and that is precisely what makes him so effective. For 15 years, he held management positions at a DAX-listed company before embarking on an extraordinary journey: on foot, alone, and without a plan B, he crossed New Zealand – over 3,000 kilometers through rough terrain. What began as a break turned into a profound experience about dealing with uncertainty, personal clarity, and the power of conscious change. Today, Florian Astor is an entrepreneur, speaker, and author—and in his keynotes, he shows how...
