

Encourager, Diver, Author and Keynote Speaker for Future Courage, Change and Communication

Lorenz Wenger

Lorenz Wenger knows what courage really means when he dives into the depths voluntarily and without oxygen with just one breath. Underwater, courage, willpower, adaptability and the right focus are required. Lorenz Wenger: "Courage is when you do it anyway" As a project manager in the advertising industry, entrepreneur with his own diving resort in the Philippines, diving instructor and apnoea diver, Lorenz Wenger has already had several borderline experiences and has emerged even more courageous each time. Today, as a communications expert, he lets people share in his exciting experiences and advises many renowned companies as an expert in...
