

Executive Coach

Dr. Stefan Wachtel

Dr. Stefan Wachtel is TED talker, executive coach and book author. His topic is effect in special executive situations. Because: "THERE IS NO GOOD LEADERSHIP WITHOUT GOOD PERFORMANCE." Stefan Wachtel: Beyond the Expert Mode – The Authenticity Paradox Stefan Wachtel has a doctorate in speech science – after four years of full-time training in speech and conversation didactics. Initially he was a speech teacher at a theater and reciter of Brecht's poems. After an escape from the GDR he was the youngest trainer of the ARD/ZDF further education and TV speaker. Seven years of TV and radio presenter coaching; three...
