

Expert on the USA, Geopolitics & Geo-Economics

Dr. Josef Braml

Dr. Josef Braml has been worked at the German Council on Foreign Relations (DGAP) since October 2006, first as Managing Editor and Editor of the Yearbook on International Politics and since June 2019 as Director of the Americas Program. Since January 2020, he has also been the Secretary General of the German Group of the Trilateral Commission. Since 2021, he has been contributing his more than 20 years of research and experience in academic policy advice to teaching and research at the Rheinische Friedrich-Wilhelms-Universität Bonn and helping to establish a transatlantic research and advisory focus at the Center for Advanced...
