

Astronaut, Entrepreneur and Expert for Sustainability

Ron Garan

Ron Garan his Orbital Perspective has made a profound, positive impact on Millions. Taking Ron’s orbital perspective, audiences learn to look beyond what separates us and to recognize that we’re are all in this together, on one common mission. Ron Garan his career as an astronaut, decorated combat fighter pilot, commercial space executive, and humanitarian offers a unique perspective to any meeting or event. His lessons from living, working, and spacewalking on the International Space Station, perhaps the most complex structure ever built, serve as a perfect illustration for collaboration. His approach has a powerful effect, allowing audiences to set…
