

Jakob Lipp is a Mentalist & Expert for Body Language, Motivation and Change

Jakob Lipp

Jakob Lipp: Optimize creativity, team development and communication in your company with the right mindset. Success needs “courage to change” – CHANGE! Keynote Speaker Jakob Lipp inspires as an “encourager” on the topics “Mindset” and “Change – Courage to Change”. In his speeches as an expert, he packs these important areas with a lot of esprit, inspiration, clear messages, practical examples and unconventional approaches. What Jakob Lipp has to tell companies in his impulse lectures is far too exciting. They are encouraging starting points for entrepreneurs who proactively strive forward. Namely straight ahead to success. Jakob Lipp speaking topics. Jakob...
