Economist, Expert in Finance & Economy

Marcel Fratzscher

Marcel Fratzscher: The Future of Economy and Society after the Crisis. The new humanism. Professor Marcel Fratzscher is President of DIW Berlin (German Institute for Economic Research), one of Europe's leading research institutions and a renowned "think tank" with over 300 employees. He also holds a professorship in macroeconomics and finance at Humboldt University in Berlin. His education and professional career are linked to many years abroad and reflect his global orientation and perspective as an economist: his studies took him from Kiel (economics) via Oxford (philosophy, politics and economics) and Harvard (public policy) to the European University Institute in…
