

Sustainability Expert, Future Architect and Political Entrepreneur

Rebecca Freitag

Rebecca Freitag: Always keeping an eye on our sustainable future. Rebecca Freitag is a Sustainability Expert, Future Architect, Voice of Youth, Guardian for Future Generations and Political Entrepreneur. As a former UN youth delegate and sought-after speaker, Rebecca knows the big stages of the world, but also the small discussion groups in companies, schools and organizations. Rebecca Freitag has given young people a voice at the United Nations and advocated for the implementation of the UN's 2030 Agenda Sustainable Development Goals, (SDGs for short) in a wide variety of institutions. From the German Bundesbank, to ministries, innovation congresses, businesses, and...
