

Tech Influencer, Investor, Business Angel, Entrepreneur & Startup Coach, Trendscout, World Traveler

Sophia Tran

Sophia recognized her interest in computers and computer science at an early age and decided to study electrical engineering at RWTH Aachen University. By the time she successfully completed her master's degree in business administration with a focus on marketing, sports management and logistics, she had already been familiar with the agency business for several years. Sophia Tran: Tech influencer & presenter Sophia published the online lifestyle magazine SMOKEY CATS in 2012. Her professional stations include the management consultancy Detecon International (Deutsche Telekom), the luxury group LVMH and a business publishing house. She gained experience in the startup sector as...
