

Cycling record holder & Executive Advisor - OWN THE CLIMB®

Monika Sattler

Monika Sattler works with leadership teams that need to perform consistently – no matter what. Her system for achieving this: CLIMB, developed from two cycling records and used in leading companies worldwide. She studied International Security, specialising in nuclear weapons, and began her career at the IMF and the World Bank before moving into management consultancy. She then swapped strategy presentations for mountain passes – and set two cycling records, including completing all 124 Swiss Alpine passes in 26 days. No rest days. No stable conditions. No Plan B. Today, she brings this experience to leadership teams worldwide. She delivers...
