

Futurist & Trendwatcher

Richard van Hooijdonk

Richard van Hooijdonk is a Trendwatcher, Futurist and international keynote speaker. He takes you to an inspiring future that will dramatically change the way we live, work and do business. Richard van Hooijdonk has several chip implants in his body through which he operates his car, as well as his home. As a futurist, keynote speaker, and trendwatcher, Richard van Hooijdonk is an authority on new technology. He has several chip implants, because he wants to physically experience the future. His inspiration sessions have been attended by over 550,000 people. He has given more than 2,000 lectures across 35 countries....
