

Expert in Change Management, Talent Management & New Work

Deniz Kayadelen

Leaving your comfort zone and testing your limits: Deniz Kayadelen knows all about that. As a world record holder and extreme swimmer, she continually steps out of her comfort zone in remarkable ways. She is also a business psychologist and ICF-certified coach who has developed her own company, Out of Comfort Zone. Deniz Kayadelen holds an M.Sc. in business psychology and has over 12 years of experience as a consultant in talent management and unlocking potential. At the same time, she has more than 20 years as an extreme swimmer and a swimming champion, with numerous national and international awards....
