Rafael Fuchsgruber

Rafael Fuchsgruber: Goals are locomotives. In his spectacular lectures and TV appearances, globetrotter Rafel Fuchsgruber describes very impressively what it means to approach change with great curiosity. How to get back into action after defeats and find the chance to learn and to start anew. How similar these situations are in sports, in business and/or in private life, he describes very closely in his keynotes. Rafael Fuchsgruber is able to convey these connections in a lively, impressive and exciting way and also offer transfer solutions to our daily lives. Rafael Fuchsgruber knows from many personal experiences the way and how…
